FOR ORDERS.

—o—

I submit herewith, for your information, correspondence ending with letter Camp No.195 dated the 8th May 1917 received from the Chief Engineer, Krishnaraja Sagara Works. It will be seen therefrom that the Chief Engineer has permitted -- Mr.R.W.Scaldwell, Offg.Executive Engineer of the Akkihebbal Division, to proceed to Mercara that he might undergo preliminary military training, as required under the Indian Defence Force Act of 1917. It is reported that to enable him to put in 90 drills by the 1st July 1917, Mr.Scaldwell was relieved on the 10th May 1917 and that he might return to duty on the 1st June 1917. The Chief Engineer has made proper arrangements for the management of the work in the Division during the absence of -- Mr.Scaldwell.

2. Mr.Subba Rao should not have relieved Mr.Scaldwell relying merely on the notification of the Captain and Adjutant, Coorg and Mercara Rifles, requisitioning Mr.Scaldwell's services. He should have obtained the previous orders of Government

in the matter. As, however, Mr.Scaldwell has been permitted to go to Mercara, orders are solicited as to how the period during which he has to undergo military training is to be treated. It is presumed that he must be considered to be on duty.

PUBLIC DEPARTMENT

G.O. No. 903, 9th July 1917

Leave to members of the Indian Defence Force

Directing that a Government servant who is a member of the Indian Defence Force, when deputed with permission of the head of his department or office to undergo preliminary or periodical training at a camp situated outside his local charge, shall be considered as on casual leave during the period of his absence from such charge, but such period shall not count against the aggregate of casual leave for which he is ordinarily eligible.

READ—the following paper :—

Reference from the Board of Revenue (Land Revenue and Forests), No. 1304/17-1, dated 9th June 1917.

The Hon'ble Mr. M. E. COUCHMAN, I.C.S.,
Commissioner of Land Revenue and Forests.

Read—Endorsement of P. M. LUSHINGTON, Esq., Conservator of Forests, Southern Circle, R.O.C. No. 874, *dated* 23*rd May* 1917, *forwarding the following letter from A. B. JACKSON, Esq., District Forest Officer, Madura, R.O.C. No.* 178, *dated* 29*th April* 1917.

I have the honour to request permission to attend a training class for officers of the Indian Defence Force to commence at Ootacamund on 16th May 1917 and extending over twelve working days.

2. This will probably entail my absence from the district for eighteen days including time occupied in travelling and holidays, but if leave cannot otherwise be given I am prepared to take privilege leave, which is due.

3. I request very early orders and would suggest that Mr. Woodhouse Adolphus may be placed in charge during my absence if it is necessary to take privilege leave as I understand he will have returned to the district before 15th May on which date I shall have to leave.

4. I have no intention of retiring or taking long leave within three months of my return from the leave now applied for.

Reference—Forest No. 1304/17-1, *dated* 9*th June* 1917.

Submitted to Government.

2. The Board has allowed Mr. Jackson to go to Ootacamund, informing him that, if it were found necessary for him to take privilege leave for the purpose, the Board had no objection to his doing so. The Board presumes however that, by analogy with the ruling in Board's Standing Order No. 131-6, which relates to volunteers, civil officers who attend training classes or camps-of-exercise under the requirements of the Indian Defence Force Act may be granted special leave for the purpose, and that such leave should not count against any leave to which, under the Civil Service Regulations, they are entitled. The Board requests that Mr. Jackson's case may be disposed of on these lines, and that general instructions may be issued in the matter for the future guidance of officers who may be called away for training.

The Board would add that, to minimise absence from their districts, it would be advisable that all officials in the Land Revenue and Forest departments should, so far as possible, become members of local corps (in place of the Southern Provinces Mounted Rifles) so that their training may be arranged for in their own districts.

H. R. PATE,
Secretary.

To the Secretary to Government, Revenue Department.

Order—No. 903, Public, dated 9th July 1917.

When a Government servant who is a member of the Indian Defence Force is deputed, with the permission of the head of his department or office, to undergo preliminary or periodical training at a camp situated outside his local charge, he will be considered as on casual leave during such period of his absence from his charge, as is necessarily required for the training referred to, but such period shall not count against the aggregate of casual leave for which he is ordinarily eligible.

During these short periods of absence it should, except in special circumstances, be possible to manage without appointing a substitute to perform the duties of the absentee.

2. In the case of Government servants who are deputed to undergo special courses of instruction, as distinguished from the ordinary preliminary or periodical training, the same rule will apply. But if local arrangements cannot be made and it is necessary to appoint a whole-time substitute to perform the duties of the absent officer, the specific orders of Government should be obtained before the officer is allowed to take up the special course.

3. The case of Mr. Jackson referred to in the Board's Proceedings read above should be disposed of in accordance with the foregoing orders.
